The purpose of this communication is to inform you that the above-identified application is being withdrawn from issue.

The application is being withdrawn to permit reopening of prosecution due to unpatentability of one or more claims.

Patent and Trademark Office records reveal that the issue fee has not been paid. If the issue fee has been submitted, the applicant may request a refund, or may request that the fee be credited to a deposit account. However, applicant may wait until the application is either again found allowable or held abandoned.
